

The Quick-Change concept can be applied to any of our products. Products that we do on a continuous basis include Timing Screw Drive Units, Stars & Guides (Change Parts), Conveyor Guide Rails, Replacement Parts, Machine Modifications and various other container 'change-over' components.

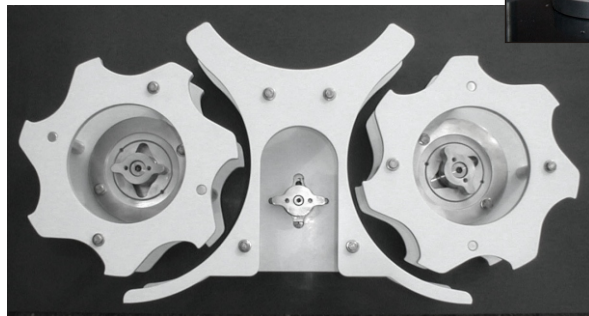

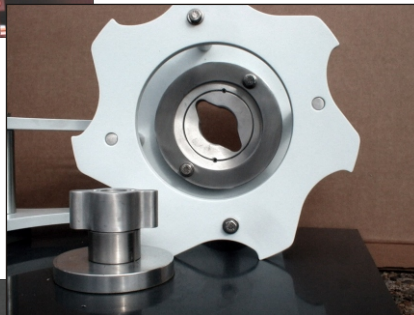

**Timing Screw Drive Unit**

**15 SECOND  
Change Over Time**

**Stars & Guides**

**Quick Change  
Stars with  
Timing  
Adjustment**

**Rail Systems**
